with various offenses in many countries.

It is alleged that he obtained citizenship papers here through fraudulent daclarations and sworn statements before the District Supreme Court, April 28, 1800.

It is alleged further that Waldberg is a fugitive from justice in Cairo, Egypt, where he is said to be wanted for blackmail and criminally libeling the judges of the mixed tribunal. According to his own confession, he was expelled from France. He was discovered in Constantinople, where he has resided since 1904.

When a resident of this city, Waldberg conducted a news bureau, which did not meet with success.
